Rowlands Castle Traditional Village Fair

Welcome to the Rowlands Castle Village Fair Saturday 6th July 2024

Welcome to the Rowlands Castle Village Fair! Nestled in the heart of the picturesque Hampshire countryside, this annual event is a celebration of community, tradition, and good old-fashioned fun. As you join us, you'll be greeted by the cheerful sounds of laughter, music, and the bustling of stallholders. Sited on our splendid village green, the fair serves as a focal point for locals to come together and welcome visitors to experience the warmth and camaraderie that defines this lovely place to live. The fairground is bedecked with colourful bunting and local stalls bustling with activity creating a fun, family orientated, atmosphere for all ages to enjoy.

Free live music will be played by local performers from 11.30am through to the late evening with the Blendworth Brass Band to start the entertainment as usual. A new addition to this year's line up are The Southsea Belles, a 1940's/50's close harmony trio that have performed at many local events including the Southsea Revival. The horticultural show will be located on the green this year and details, and an entry form, are included in this magazine as well as on our village fair website (See QR code opposite)

But the Rowlands Castle Village Fair is more than just a day of amusement – it's also an opportunity to support the local community. Many of the stalls are run by volunteers raising funds for important causes, from supporting local schools to preserving historic landmarks. By indulging in a little retail therapy or participating in the various games and activities, you're helping to make a positive difference in the lives of those around you.

This year the fair is sponsored by Henry Adams who have made a very generous contribution that will help towards the running costs of the event and increase the money we intend to raise for good causes in the village and local area. From last year's fair we were able to once again contribute £1,000 to local food banks and other deserving local causes.

We will, of course, have all the other things that make it such a great day for the village. The subsidised fairground rides for the children, Punch & Judy shows throughout the day for kids and adults alike, Morris dancing, a coconut shy run by the local Scout group, an ice cream van, lots of local stallholders and, of course, the ever popular dog show. We also hope that the local fire engine and its crew will also be able to join us as they did the last. Finally, we'll be keeping our eyes on England's progress in the Euros and if they are playing on the day we will be showing the game live on a large screen TV!

As usual the RCVF will be operating our own bar and barbecue which will be staffed, throughout the day and early evening, by village volunteers. So please spend your money on the green!

The Fair opens at 11am and the bar and entertainment will run until late evening

I hope you all have a wonderful day!

A huge THANK YOU

As with every fair we are indebted to our sponsors and advertisers without whom we would not be able to stage the day as it is. The Committee would like to say many thanks to them all for their donations, raffle prizes, time and effort. The Village Fair Committee would also like to thank the many people and companies who are involved every year behind the scenes, without whom the fair would not take place, especially...
